A total of \$3 million was provided to the Capital Region Development Authority (CRDA) to finance to the XL Center lease in FY 14 through a deficiency appropriation under PA 14-47. The revised FY 15 budget provides funding of \$1.5 million to CRDA to finance the XL Center lease.

Background

The "Arts Commission" account funds competitive grants available to arts and cultural institutions in the state in conjunction with federal funding provided through the National Endowment of the Arts.

The Department conducts a panel review of applications and provides recommendations to the Connecticut Arts Council for consideration. The Connecticut Arts Council, a thirteen member committee established under PA 13-247, reviews and discusses the panel recommendations and makes final decisions on all grant awards.

Governor

Transfer funding of \$4 million in FY 16 and FY 17 from the direct line-item arts and culture accounts into the "Arts Commission" competitive grant account. Those organizations with direct line-item account may compete for funding available through the "Arts Commission" account.

Committee

Maintain funding for arts and culture direct line-item grants at the available FY 15 appropriation level.

The state funds these purchases by issuing General Obligation (GO) bonds with maturities of up to five years. The CEPF is authorized by CGS Sec. 4a-9 and administered by the Office of Policy and Management.

Background

PA 13-234 consolidated various housing programs across state agencies into the Department of Housing, including the Security Deposit Guarantee and Rent Bank programs from the Department of Social Services (DSS). DSS previously administered the programs using inhouse staff. Currently the Department utilizes contractors to administer the program; however, the contracts do not include all services related to these programs.

Governor

Provide funding of \$62,419 and one position for the administration of the Security Deposit Guarantee and Rent Bank program. This position would perform a portion of the duties currently contracted to a third party vendor, resulting in a savings related to that contract.

Committee

In addition to the above, decrease funding for Other Expenses by \$35,000 in FY 16 and FY 17 from achieved savings resulting from the position. It is anticipated that this staff can perform the work currently provided through a contractor currently funded through the Other Expenses account.
