Agency Overtime Report

FY 26 – 2nd Quarter

By: William Lederman

CGS Sec. 2-53n requires the Office of Fiscal Analysis to quarterly report on the overtime granted by each state agency to its employees. The report is required to include an analysis of: (1) how much overtime is granted by each state agency and (2) how many employees received overtime pay.

This analysis is limited to General Fund expenditures due to the availability and reliability of other funds' expenditure data in Core-CT.

Summary

Through the second quarter of FY 26, the state expended approximately \$168.1 million in General Fund overtime payments, approximately \$10.2 million (6.5%) more than the same period last fiscal year.¹

Five agencies account for over 96% of General Fund overtime expenditures in both fiscal years: Department of Correction (DOC), Department of Mental Health and Addiction Services (DMHAS), Department of Developmental Services (DDS), Department of Emergency Services and Public Protection (DESPP), and Department of Children and Families (DCF).
