2009Q2\_18B\_Outpatient\_MET\_Registratio

2009Q2\_18A\_Outpatient\_OTP\_Registrati

2009Q2\_18C\_Outpatient\_AMD\_Registrati

Reasons for the changes include:

- ValueOptions is moving to anew system that requires re-programming
- Some data generated by the screen items does inform the demographics of the program participants.
- Attempt to make the registration form more provider user-friendly.

The items in the screen that were specifically discussed and changed included:

- ✓ # 4 & 5: face & ethnicity: source for this information already exists.
- ✓ #11: previous BH services within the past 6 months: information can be obtained elsewhere.
- ✓ #14: change the wording on lead case management provider to Yes – no
- ✓ #16: psychiatric medication evaluation indicated: from the provider perspective.

Final version of the screen will be provided to the Subcommittee and BHP OC by ValueOptions
