AGENDA

This committee works with DCF to maximize the combined impact of BHP fee-for-service, and DCF grant and voluntary services funds, by identifying and addressing key issues of consumers and providers. The committee: reviews data on the effectiveness of DCF and BHP policies, procedures and initiatives with a focus on quality and access to services; reports to the Council on results; raises concerns and makes recommendations within the purview of the Council's authority.

The committee, in collaboration with the Adult Quality, Access and Policy Committee, also works through the Council to provide input in the State's plan for federal Health Care Reform and other emerging mental health policy and program developments.
