Autism Spectrum Disorder Services

**Behavioral Health Partnership
Oversight Council – Utilization
Management Update**

State Plan Services

Beacon Health Options provides:

- Utilization Management
- Quality Management
- Provider Relations
- Member Relations for the Medicaid behavioral health service system, including ASD services

Beacon Health Options also provides Care Coordination and Peer Services for the ASD services

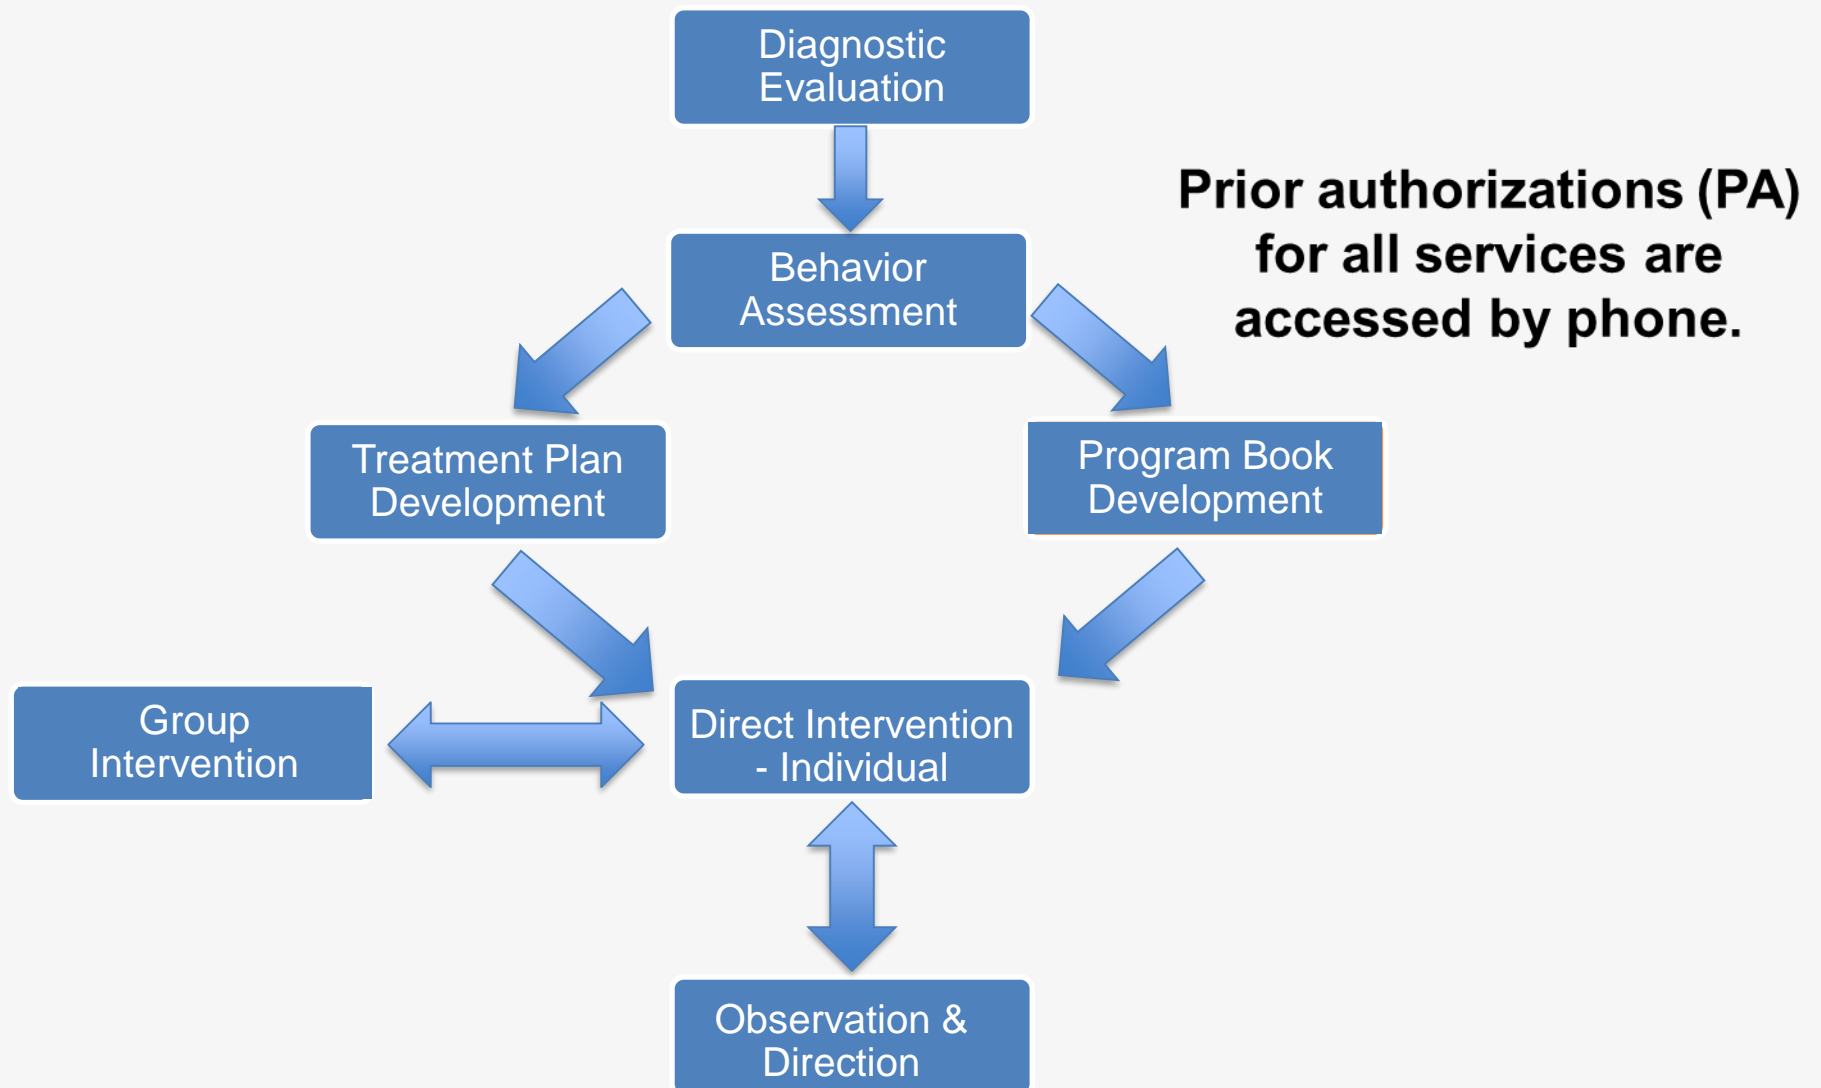

Connecticut Plan to cover ASD Services

- Two main components:
 1. Behavioral treatment services (Medicaid State Plan services performed by providers)
 - Such as Applied Behavior Analysis (ABA)
 - Available to Medicaid-eligible children and youth under the age of 21
 - May not duplicate services through the school (but may supplement those services to the extent medically necessary)
 - Includes evaluation, assessment, and development of plan of care
 2. Peer Specialist and Care Coordinator services (Medicaid administrative services performed by the ASO)
 - Available to individuals of any age with ASD and their families
 - May be utilized to guide families through the process of accessing Autism services and other community services such as therapeutic recreation, social skills groups or other referrals
