

# STATEWIDE DATA INTEGRATION WORKGROUP

# Statewide Data Integration Workgroup

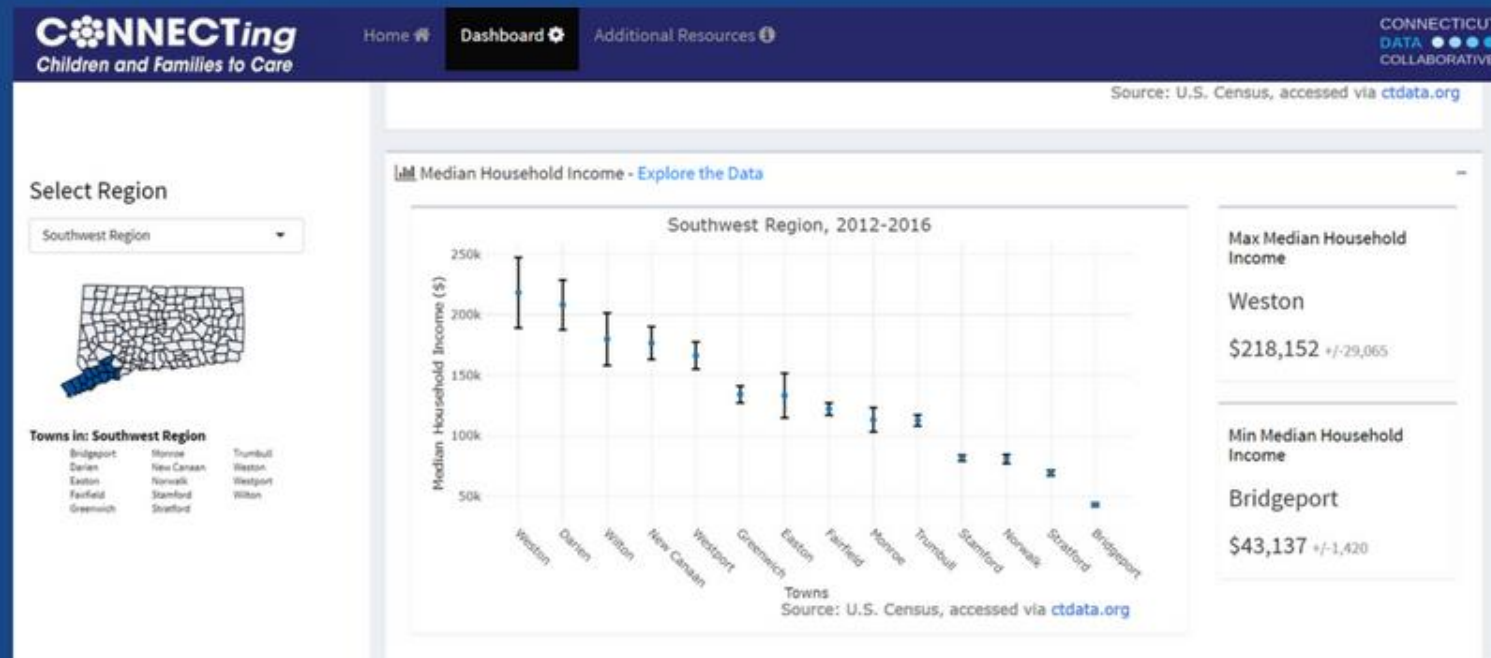

- Part of the **CONNECTing Families to Care** project
- Agency partners and families meet bi-monthly

# Goals

- **Increase access to data for families and state agencies**
- **Help families be full partners by having same access to data as providers**
- **Determine data needs and build a sustainable feedback mechanism**

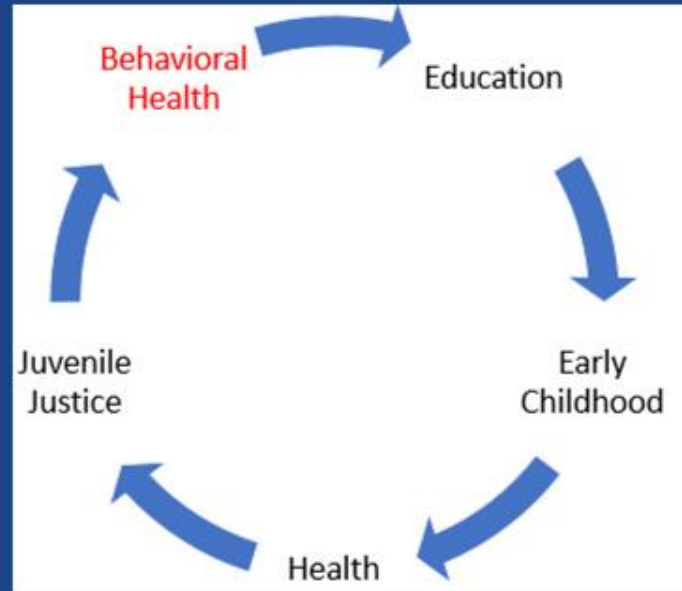

# Results

- Agency data publishing plan
- Data dashboards

# What's missing?

## Behavioral health data

# Ways the BHOC can help

- **Participate in bi-monthly meetings**
- **Help identify needs and sources of behavioral health data**
