**Agenda*

May 13, 2026 2 PM via ZOOM

1. BHP OC Administration and Welcome

2. Action Item- None

3. Questions that the BHPOC Would like Carelon to Address:

- In the presentation at the earlier (March) BHPOC meeting, Carelon reported that it has 15 performance standards, and that it has achieved over 98% compliance on them. What are those performance standards?
- What if any services are currently provided by Carelon staff that are NOT specified in the contract?
- The Council would like data on what Carelon itself does, not data on the provider agencies.
- What is the number of providers under the Carelon ASO contract? Is there a standard or process that addresses the coordination of services between those agencies?
- How does Carelon coordinate with the medical ASO?
- Does Carelon consider the coordination of medical, dental and transportation services? If so, how?
