2018 MAPOC Subcommittee Report: Quarters 1 and 2

Updated: June 6, 2018

Care Management Committee

On January 10th, the committee received updates on PCMH and PCMH+. The PCMH presentation included practice site access maps and an overview of performance payment program participation and results. Members discussed the RFP notice for wave 2 of PCMH+ and reviewed a draft of the 2018 activities timeline.
