  - Mission, Values, Approach, Tools & Technology
- Transition and Implementation Plan
  - Pilot Participants
  - Timeline for Transition of Existing Participants
- Innovative Tools and Technology
  - GT Enroll, Caregiver App, & Portal

## **Small Beginnings**

Founded in 2004, GT Independence was created out of the basic instinct of a parent trying to provide the very best options for their child.

### **Where We Serve**

17 states and the Washington District of Columbia

# **Our Mission**

To help people live a life of their choosing regardless of age or ability.

gt

### **Our Brand Promises**

We get people paid.

We bring our values to the table.

We remove the barriers to self-direction.

### **Committed to Customer Experience**

### **Quickly Connect to a Live Person**

Calls are automatically routed to the support team that are assigned to that program, who are trained on program specific policies and procedures.

#### **Reach Resolution on the First-Call**

Calls that are not resolved on that first call are resolved within 8 hours on average.

#### Year over year 95%+ Customer Satisfaction

Participants and providers across all states served respond that they are satisfied and would recommend us to friends and family.

#### **Culturally Humble**

Many of our support team are bilingual and all support team members are trained to assist people regardless of age, ability, ethnicity, or language spoken.

### **Transition Overview**

Seamless transition with zero interruption in services.

Successfully onboard everyone with a personalized approach.

Satisfied stakeholders at every level.
