

Dear Members of the CT General Assembly:

I am writing to request that you VOTE NO on the upcoming vote being taken to extend all and any of the COVID emergency executive orders previously issued by Governor Ned Lamont. Specifically, Executive Order 13A (mask mandates) should not be extended and should terminate. If all of the Executive Orders that are proposed to be extended (including Executive Order 13A) are bundled into one single vote, I request that you also VOTE NO on this matter. There is no longer an emergency pursuant to which these emergency executive powers should continue. Please look at all the data that has come out on this matter, please stop allowing this sort of illogical power play. PLEASE help our children! Please give people back their choices.

Sincerely,

Anna M. Lake
