

TESTIMONY IN SUPPORT of [CONTINUATION OF EMERGENCY DECLARATIONS & LIMITED EXECUTIVE ORDERS](#)

Hearing: [TUESDAY, FEBRUARY 8, 2022 – 9:00 AM](#)

To Whom It May Concern,

I am writing in support of continuing Governor Lamont's Emergency Declarations and also in support of Limited Executive Orders.

While I understand that there is major Covid fatigue across the country, we must not forget that we can not wish this away. It is a worldwide pandemic and new variants can pop up at the drop of a hat, just like Omicron did. We have no way of predicting what is going to happen next, when the next variant will arrive or how contagious and deadly it will be. Although CT's vaccination rates may be better than in other parts of the country, a virus such as Covid-19 knows no boundaries. That is why it is imperative that Governor Lamont maintain the flexibility to react quickly. The fact that our CT legislature is only in session until May is also crazy and simply serves to complicate a difficult situation.

I am one of those people who has compromised health and have parents with compromised health as well. I am extremely grateful for the protective measure we have here in CT and I really appreciate being able to vote by absentee ballot using the Covid AB option.

Thank you
