

**TESTIMONY IN SUPPORT OF CONTINUATION OF EXTENDING EMERGENCY  
DECLARATIONS EXECUTIVE ORDERS**

**Hearing date: 2/7/22, 9am**

I **support** extending the government's executive order at this time of the Covid pandemic. My family believes in the ease and fairness in voting for every American.

We do not know how the pandemic situation will develop and I am asking for my family and my community for this extended safety measure of absentee ballots during Covid.

Sincerely,  
Claudia Sherwood
