

Dear Members of the CT General Assembly:

I am writing to request that you **VOTE NO** on the upcoming vote being taken to extend all and any of the COVID emergency executive orders previously issued by Governor Ned Lamont. Specifically, Executive Order 13A (mask mandates) should not be extended and should terminate. If all the Executive Orders that are proposed to be extended (including Executive Order 13A) are bundled into one single vote, I request that you also **VOTE NO** on this matter. There is no longer an emergency pursuant to which these emergency executive powers should continue. Please have individual families make the decision that is best for them!

Sincerely,

Jennifer Rubin
