

February 6, 2022

Dear Legislators,

I strongly encourage you to support an extension of No Excuse/COVID Excuse absentee balloting. People should not endanger themselves or others in order to vote. New out-of-state voters think Connecticut HAS NEAB and are confused; seniors have used this option in large numbers – please do not imperil voters this year. We have NO IDEA what the rest of this year will hold, virus-wise.

Thank you,
Laurie Heiss
Redding CT
