

Dear Members of the CT General Assembly:

I am a mother of 2 boys attending Weston Public Schools and I am writing to request that you **VOTE NO** on the upcoming vote being taken to extend all and any of the COVID emergency executive orders previously issued by Governor Ned Lamont. Specifically, **Executive Order 13A (mask mandates) should not be extended and should terminate**. If all of the Executive Orders that are proposed to be extended (including Executive Order 13A) are bundled into one single vote, I request that you also **VOTE NO** on this matter. There is no longer an emergency pursuant to which these emergency executive powers should continue.

Sincerely,

Livia Beradinelli
