Re: Concerns regarding Mandates

Mandates are not HELPING our healthcare or community in fact they are are ruining our community and the people in it. Since Mandates have been in place, there is no such thing is Quality care. People are losing their jobs and are not getting quality care when they are hospitalized. People are sick from these vaccines but avoiding the hospital because they are afraid. People are scared they will not be able to keep their homes, feed their children and their children will suffer mental crises along with parents suffering mental crisis. People are scared not because of covid but to survive the chaos that the mandates have brought. Misinformation from the news, internet, CDC, state Governors, FDA and big Pharma has led people to make decisions they did not want to make. They are forced to receive a Vaccine that its NOT safe. According to studies these vaccines have caused permanent and irreversible heart damage, strokes and blood clotting. This is NOT normal. People should have a choices. There will always be viruses that will mutate going host to host, this does not mean it is deadly for everyone. What happened to basics, washing hands and getting tested if symptomatic? It is criminal to force, coerced, bribe and threaten people into getting a vaccine that shows it's not guaranteed to work and causes great HARM to some individuals. This vaccine is not for EVERYONE. People have rights and those rights are being taken away. Rights that our ancestors worked so hard to do. When you make your decision to vote, you ask yourself these questions.

- 1) WHAT IF MYSELF OR FAMILY MEMBER DIED FROM THIS VACCINE? WOULD I CHOOSE DIFFERENTLY.
- 2) WILL I GET QUALITY CARE FROM A NURSE, CNA OR DOCTER THAT IS OVERWORKED BURNT OUT FROM WORKING LONG HOURS BECAUSE THERE IS NO STAFF AND THE Patient DIE BECAUSE THEY DON'T HAVE THE QUALITY CARE.
- 3) HOW WILL OUR FUTURE FOR OUR CHILDREN BE WITH FORCED MANDATES AND HEALTH ISSUES THEY MAY HAVE FROM THESE VACCINES? REMEMBER THIS IS A TRIAL AND THE FACT IS WE ALREADY KNOW WHAT IT CAUSES. WHY IS IMPORTANT DATA BEING HIDDEN?
- 5) WHY ARE WE ALLOWING COVID POSITIVE VACCINATED NURSE TO WORK BUT NOT WON'T ALLOW UNVACCINATED HEALTH NURSE WITH IMMUNITY TO WORK? REMIND YOURSELVES THEY WORKED DURING PANDEMIC WHEN VACCINES DIDN'T EXSIST BECAUSE THEY ARE GOOD HUMAN BEINGS.
- 4) AM I DOING THE GREATER GOOD OR GREATER HARM FOR HEALTHCARE AND COMMUNITY BASED OFF factual RESEARCH NOT MISLEADING OR INFORMATION FROM PEOPLE WHO ARE PRO VACCINES.

MANDATES ARE NOT DOING THE GREATER GOOD, IT'S DOING GREATER HARM MENTALLY, PHSYCIALLY AND IN THE COMMUNITY! WE ARE BEGGING YOU TO STOP THE MANDATES AND STOP THE CHOAS. STAND UP FOR YOUR RIGHTS, YOUR SAFETY AND YOUR FAMILIES! NURSES, PHYSICIAN'S AND ALL THE PEOPLE IN HEALTHCARE WILL ALWAYS BE HEROS NOT ZEROS. THEY ARE THE REASON SO MANY LIVED WHEN SICK AND TO TAKE THEIR JOB AWAY FROM THEM BECAUSE THEY HAVE RIGHTS, IS DISGUSTING, CRIMINAL AND UNETHICIAL. NATURAL IMMUNITY OVERRIDES MAN MADE VACCINES. THINK RATIONALLY NOT SCARED. MAKING DECISIONS BASED OFF MISLEADING, MISINFORMED AND FALSE

INFORMATION IS NOT INTEGRITY. DECISION'S SHOULD BE BASE OFF RATIONAL AND FACTUAL INFORMATION. THANK YOU FOR YOUR TIME.

Sincerely,

Michelle Bacote, Registered Nurse in Connecticut
