To Whom It May Concern,

I am writing in support of continuing Governor Lamont's Emergency Declarations and also in support of Limited Executive Orders.

While cases are currently declining we are still in the midst of We don't know what is going to happen next: new variant, or more contagious variants perhaps? For this and other reasons it is imperative that Governor Lamont maintain the flexibility to react quickly. The fact that our CT legislature is only in session until May complicates a difficult situation

I am one of those people who is in that vulnerable age group. I am extremely grateful for the protective measure we have here in CT and I really appreciate being able to vote by absentee ballot using the Covid absentee ballot option.

Thank you
