

February 6th, 2022

To Whom It May Concern:

We do not support the extension of the Governor's Emergency Powers. We support the expiration of the Governor's Emergency Powers as planned on February 15th, 2022.

We also object strongly to the codification of EO 9-1, which allows the CT State Department of Education to require masks in school, **and EO 13** which enables DPH to impose mask mandates at their discretion. **Again, we strongly object to the codification of EO 9-1 and EO 13.**

Sincerely,

Susan and Brian Condon
