

The policies and procedures in this manual are reviewed annually by the Infection Control Committee. The most recent updated version may be found on the “T”-drive under Manuals/Infection Control Manual. The policies and procedures are based on information, guidelines, and recommendations from the following:

**Centers for Disease Control and Prevention
United States Public Health Service
Occupational Safety and Health Service
Association for Professionals in Infection Control and
Epidemiology
State of Connecticut – Department of Public Health**

Consult with the Infection Control Practitioners for clarification of any questions. They are on-call after hours for any urgent Infection Control issues and may be reached through the Hospital Operator.
