The Yale Corporation has authorized the President, the Vice President for
Finance and Chief Financial Officer, the Vice President for New Haven and State
Affairs and Campus Development, and the Vice President for Human Resources and

Administration to execute and deliver contracts on behalf of the University, including, contracts with the State of Connecticut and amendments thereto. The authority of the Vice President for New Haven and State Affairs and Campus Development and the Vice President for Human Resources and Administration is limited to the areas of their responsibility as indicated above. The Yale Corporation has also authorized the three Vice Presidents named above to delegate that authority to his or her subordinates (or to delegate such authority to their subordinates together with the authority to subdelegate to certain individuals above). Such delegations and subdelegations of authority and the Yale Corporation approval remain in full force and effect.

I understand the State will rely on this certification for any contracts or amendments signed by any of the above-named officials for a one-year period beginning as of the date first written above unless you receive a written notice from me (or my successor as Secretary of Yale University) notifying you that the authority of one of more of them has lapsed. For any contract signed by one of these officials during that period, Yale University waives any claim that the contract was signed without authority, unless you have received such a notice.

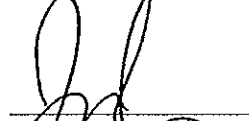

At the end of the one-year period, this certification will be replaced by another certification for the following year. Please sign this letter below and return one original to me to indicate your acceptance of this updated certification on behalf of the State of Connecticut.

Thank you.

Sincerely,

Kimberly M. Goff-Crews
Secretary
